Give a Child a Family
Providing Families for Rescued Children

Family
the birthright of every child

1. Rescue

Quality care

A short term shelter for up to 50 children awaiting reunification or alternative placement, who have been abused, abandoned, orphaned and HIV/AIDS infected or affected.

2. Restore

Building Resilience in children

Counseling and Therapy to address the emotional, spiritual and social adversities experienced by children and to build resilience in children through coping and life skills.

3. Reintegrate

Khuselani Foster Care Program

- Recruitment, assessment and training of prospective Foster families
- Statutory Services
- Supervised introduction of children into families
- Post Placement Support Groups
- Sustainability projects for Foster Carers

The full circle

Family, the birthright of every child

5. Resources

Building Capacity

- Training and Mentorship Programs
- Auxiliary Social Workers Course
- Bereavement and Grief Counseling
- Family Foundation International Courses
- Independent Living for Youth at Risk
- Capacity Building of CBO's
- Shelter Sustainability projects

4. Replicate

Build stronger communities

Mentoring and Training of other organizations, nationally and internationally on the GCF "model of excellence".
