Every Child In South Africa Has An Equal Right

To be protected, develop their full potential and participate in all decisions that affect them.

[Join Us To Make This A Reality](#)

Our Why
This is guaranteed by the Constitution of the Republic of South Africa and is essential for achieving the country's sustainable development goals of ending poverty and inequality.

Who We Are
The SANCRIC advocates for the South African child care and protection system to realise every child's full potential regardless of race, gender, disability, health, geography, nationality or any other discrimination.

What We Do
The SANCRIC is a civil society coalition of like-minded child rights organisations, societies and children in South Africa advocating for children's rights.
